Subject: Aerospace Coatings International, LLC Draft CEI Report
Attachments: 20190709 ACI (HWTM).pdf

Paula,

Please see the attached draft CEI report for Aerospace Coatings International, LLC. I apologize for sending a PDF instead of an editable document; but the Word file was too large to attach to this email. Please review the attached draft and provide any comments and/or edits you may have within 10 calendar days of your receipt of this message (no later than July 22, 2019).

Thank you.
